

The Church Service

What Time Does the Service Start?

The service is divided into two sections – the Church at Study and the Church at Worship.

The Church at Study begins at 9:00am with a time of quiet meditation and prayer. This is followed at 9:30am with Sabbath School Bible study classes. You do not have to attend, however, many members often indicate that this is what they wait for all week. During this one-hour period, the class provides a time to fellowship in a small group, share prayer requests or praises, ask questions and discuss the weekly lesson.

The Church at Worship begins at 10:30am with hymns, followed by a short 15-minute program highlighting topics of interest or current events occurring in the Adventist church. These may include mission stories, Adventist history, church ministries or inspirational videos. The Divine Service begins at 11:00am and is typically one hour long. This is our opportunity as a congregation to unite in worshipping God through singing, prayer, tithe and offerings and the sermon.

Calgary Central offers a traditional style of worship – traditional hymns and music followed by scripture based teaching. If you have a Bible, please bring it along – and if not, please ask us if you would like help to get one.

How Many People Attend Your Church?

Our worship service has an average of 500 people in attendance.

Will I Be Asked to Give Money?

We do collect tithes and offerings. If you feel impressed to make an offering you can, however, please do not feel obligated to give.

How Should I Dress?

Men often wear suits and ties, while others go more business casual (slacks and a button shirt). Some wear a nice pair of jeans and a dress shirt. Women generally wear a dress, blouse and skirt, or a pantsuit. We are more interested in you than what you are wearing.
